Boy Scout Week Held In Haliburton

CHURCH PARADE

To get Boy Scout Week off to a good start the Cubs, Scouts, Leaders and Group Committee members paraded from the Legion Hall, Haliburton to the Lakeside Baptist Church. Rev. John Smith delivered an excellent message. He pointed out that, like Esau, we are all born with a birthright that should be cherished and protected and not sold as Esau's was to Jacob.

After the service the Scout Group paraded back to the Legion. The Leaders were well pleased with the turn-out despite the sub-zero weather.

FATHER AND SON BANQUET

On Tuesday, February 13 the Scouts had their Father and Son Banquet at the Legion Hall, Haliburton. Before dinner was served the fathers had an opportunity to examine the display of projects made by the Cubs.

Peter Leighton capably played the piano for the singing of "O Canada", after which the Legion ladies served a delicious chicken dinner.

Chairman Dick Clarke introduced the Head Table guests and commended the hard working Cub and Scout Leaders and the Group Committee.

George Brennan, acting for Legion President Eldon Sibley, welcomed the Group. Reeve Roy

Brohm encouraged the Leaders to keep up the good work that was being done with the Cubs and Scouts. Rev. John Smith welcomed the opportunity of being Scout Padre for 1968, and also congratulated the Leaders of the boys' groups.

While the tables were being cleared the Cubs and their Leaders sang three rousing numbers on stage, accompanied by Mr. Bill Gladden. Mr. Walter Webb rendered a message to the boys in the song "Sonny Boy". The fathers then joined in with a sing-song led by Frank McIntyre and Vance English, also accompanied by Bill Gladden.

Silver Spoons were presented to the winning Six's in both A and B Packs by Cubmasters Len Salvatori and Earle Casey. In A Pack, the awards were won by White Claw Six Steven Roberts, Tom Curry, Steven Wood, Peter McElwain and Earl Bull, and in B Pack winners were Red Fang Six Junior LaPorte, Dale LaPorte, Miles Maughan, Brenton Winter and Sheldon Nichols. Joe Iles of B Pack and John Hodgson of A Pack were each presented with a plaque awarded each year to the outstanding Cub. This was the second year in a row that John Hodgson has earned this award.

Stan Fisher Plant Foreman

Bell Canada's man in the Haliburton - Minden area is Plant Foreman Stan Fisher.

Mr. Fisher took charge last January 1 when Bell bought the Dysart Municipal Telephone Sys-

tem, made up of four exchange areas: Haliburton, Minden, Wilberforce and West Guilford.

General maintenance of all telephone equipment in this area is the responsibility of Mr. Fisher. This includes installation and repair of telephone switching equipment, wire and cable, etc.

Any problems concerning accounts for the four exchanges are handled by the Commercial department in Peterborough. Calls to the Littleton City on these matters are made free of long distance charges when placed through the local operator.

Mr. Fisher has been with Bell for 16 years, hails from Hamilton and now lives in Haliburton with his wife and three children.

Tory Hill's First Ski-doo Rally

On Sunday, February 18, 1968 Tory Hill held their first Ski-Doo Rally. The weather could have been kinder, regardless, all who participated considered the rally a highly successful event.

The machines started from Tory Hill at 11 a.m. along the trail to Big Monmouth Lake and Little Monmouth Lake. After leaving here the rallyists came across an old logging camp where a porcupine had taken up residence in the kitchen; this little fellow put on quite a performance for everybody. Leaving here the machines continued to Bels Lake and thence to Highway 28. Here Hubert, Lloyd and Arnold had prepared a welcome lunch of hot coffee, sandwiches, etc.

From this point the machines continued their route which

took them to Pencil Lake, the Kelly and Whitney places, the Old Depot and across to the Haas farm, and onto Pine Lake. From here they went to Cy White's marshes, then around the Blue Rock and Rare Earth Uranium Mines. The party arrived back at Tory Hill at 5 p.m. where they sat down to a delicious hot turkey dinner, which had been prepared by the ladies of the United Church.

At the close of the dinner Mr. Buck Baker of Haliburton offered a vote of thanks to all who had organized the rally, and assured them he would be back next year.

Machines came from Minden, Haliburton, Newmarket, Peterborough and Lakefield. Mr. E. Savitz of Pennsylvania, U.S.A., who is holidaying in Tory Hill, also took part in the rally.

Guest Speaker At Rotary Club

Miss Ann Barwell from the Bell Telephone's Public Relations Department was the guest speaker at the Haliburton Rotary Club's weekly meeting held at the United Church in Haliburton last Thursday evening.

Miss Barwell took the Club down Memory Lane in slides and

music with highlights from 1900 to 1968, with extra slides on the advancements being made by the Bell Telephone System.

She was introduced by the Bell Plant Foreman here, Stan Fisher, and was thanked on behalf of the Club by Dwain Barry.

Snowmobile Jamboree Here

This coming weekend all snowmobile owners will be heading for Haliburton for the Haliburton Highlands Snowmobile Club's First Annual Jamboree which will be held on Saturday and Sunday, February 24 and 25.

On Saturday the Jamboree will get underway with short day trips starting at 1 p.m., and leaving from the Fairgrounds in Haliburton. At 8:30 p.m. a gala dance will be held in the Royal Canadian Legion Hall in Haliburton with refreshments and a bar. The admission will be \$1.00 per person.

On Sunday a guided tour will

be leaving Haliburton village at 12:30 p.m. and from the Haliburton Lake Centre at 1:30 p.m. One of the highlights of the tour will be a cook-out on the trail and everyone is being urged to bring along the entire family. And of course, don't forget to bring along your snowmobile.

The Snowmobile Club is going all out to make this a big weekend and that will long be remembered and they are looking forward for a big turnout this weekend.

For more information call Pat Hucal, Ron Grant or Joe Iles at Haliburton.

Museum Committee Holds Meeting

For some time a number of citizens in various parts of the County have shown interest in establishing a museum in the area. With this in view, the Rotary Club of Haliburton purchased the Reid House which adjoins the Rotary Beach property. Later the Reid property was donated to Dysart Municipality to be used as a museum.

A committee, appointed by the Dysart Council, held its first meeting on Monday, February 12.

Mr. Ronald Curry, who has been very active in the project, explained what had been accomplished to date, items acquired, etc.

The first executive will consist of: President - Mr. Stuart Baker, Vice President - Mr. Russell Dart, Secretary - Mrs. Brant Simon, Treasurer - Mrs. Frank Anderson. Also on the committee are Mr. Lloyd Conybeare, Mr. Lawrence Morrison and Mr. Frank Hodgson.

After some discussion it was decided to establish a pioneer type museum with a tentative name "Haliburton Highlands Pioneer Museum". Membership in the organization will be \$5.00.

Mr. Ronald Curry is to contact Mr. J. Styrmo of the Museum Branch re a meeting with him.

Receipts are to be issued for all items whether donated or loaned (for a period of time specified by the owner).

Anyone having items of interest which they would be willing to share, please contact the Secretary or any member of the committee and, when forms are

available, arrangements will be made for collection of same.

Haliburton News Letter

We in the Highlands are having real winter weather, and last weekend was the most bitterly cold one in some time. Temperatures have been much below normal for the past ten days, and it was 20 degrees below zero on Thursday morning and it appears that we are going to have some very cold nights.

We regret that the condition of Mr. Eugene Fornica's health is causing his family and friends some concern.

An advertisement in this paper warns all dog owners that their pets must be kept at home and not running at large as has been the case lately. It is the practice of a good many owners to let their dogs loose at night and keep them tied up at home the day time. Those who persist in this practice face the possibility of having to pay a fine.

A public hearing will be held on Monday, March 4 at 4 p.m. regarding a sewage works to serve the community of Haliburton, with the said hearing taking place in the Royal Canadian Legion Hall, Haliburton. A sewage system is badly needed here and we hope that after the hearing work will be commenced on same as soon as possible.

Red Cross Dance Friday Night

The gala event of the winter season will be held this Friday evening, February 23 when the Haliburton Branch of the Red Cross Society will stage their Annual Valentine Dinner Dance.

This annual affair has the reputation of being the most popular dance of the year.

The music for your dancing pleasure will be supplied by "The Serenaders".

The place is the Royal Canadian Legion Hall this Friday evening, February 23. Admission is \$3.00 per person.

Haliburton Man Dies In Accident

A 63-year-old Haliburton man was killed when he walked in front of a truck at the Ontario Hydro dam construction site at Newmarket, 14 miles east of Toronto, Ontario on Sunday morning last.

Dead is Lorne Enos Gerald Clark.

Police said Mr. Clark, an Ontario Hydro employee, walked into the path of the construction truck driven by John McBride of Burnstown, Ontario.

Among the survivors is Mr. Clark's wife Lise of Haliburton.

Sports Flash

The Haliburton Pee Wees and Squirts were put out of the O.M.H.A. Play-offs on Wednesday night when both teams were defeated in games played at Cannington. The scores were Cannington Pee Wees 4 Haliburton 2, and Cannington Squirts 7 Haliburton Squirts 1.

Famous Mens' Choir In Concert Here This Week

Residents of this area are indeed honoured to have the opportunity to host the talented and famous Hart House Glee Club of Toronto, as they perform in concert this Friday evening, February 23 at 8:00 p.m. at Haliburton Highlands Secondary School Auditorium.

It is hoped that a large and appreciative audience will be on hand to show their admiration and encouragement to one of Canada's best known choral groups, as they travel to the Haliburton Highlands to offer us a beautiful and enjoyable programme of some of the world's greatest music.

The Hart House Glee Club was formed in 1934 to provide an opportunity for the men of the University of Toronto to make music. Its first conductor was Dr. Charles Peaker, the well-known organist and choirmaster. While the Club has not forgotten its original purpose over the years, it has constantly striven to provide the very highest standard of music possible.

The achievement of this aim is complicated by the fact that the members are not students of music; the club is composed of future lawyers, doctors, teachers and business tycoons, who sing for the enjoyment of it. Many members remain in the Club long after graduation.

The singing of the Glee Club is now available on three records that have been released recently by Arc Sound. Every year at this time the Glee Club embarks on a short concert tour, often to such universities as Syracuse, Rochester, Buffalo and Pittsburgh at the invitation of the respective Glee Clubs. In the spring of 1966 the Club was invited to sing with the best American Glee Clubs at the Big Sing of the Inter-collegiate Music Council, held in Detroit. In May 1967 they were invited to sing three concerts at Expo. A trip to England is proposed for the summer of 1969, the 50th Anniversary of Hart House.

A limited number of advance tickets are still available from members of the Haliburton Highlands Secondary School Glee Club and students of Lakeview

School. Purchase your advance tickets now at the slightly reduced rate of \$1.00 for adults and .50c for students. However, seats may still be obtained on Friday evening by paying an admission price of \$1.25 (adults) and .75c (students) at the main door of the High School. This concert is being sponsored by the H.H.S.S. Glee Club.

What Do The Critics Say?

"The Hart House Glee Club is a very musical young organization and its prompt, unstrained sound is a sound to gladden the heart. Its singing has a lot of punch and a lot of vivacity. For such vitality, musical audiences should always be grateful."

Kenneth Winters
in the Toronto Telegram

"—a standard of exceptional calibre. Winning vocal tone, precision, clear diction, balance, carefully controlled and imaginatively varied dynamics were all displayed with excellence."

Raymond Pannell
in the Toronto Star

"The outstanding quality of the singers' work was its intensity, a quality manifest in all its aspects - tonal, technical, artistic and interpretative."

Frank Haworth
in the Globe and Mail

"The Hart House Glee Club came to town Saturday night determined to maintain its reputation as one of Canada's better-known choral groups. This the University of Toronto Singers did in no uncertain manner and their program, which covered a wide range, from 16th century to the present - church music, folk songs, negro spirituals, serious works and some unfamiliar works was enthusiastically received by an appreciative audience. There is a tendency among glee clubs to trot out familiar "pot-boilers" for an audience with little attention to phrasing, breathing and dynamics. This was certainly not the case with these youthful singers. Under the able direction of Walter Barnes, the Hart House Glee Club is a well-trained, highly disciplined and polished aggregation."

Larry Hartin A Standout As Haliburton Wins

The Haliburton Huskies took a 3-1 lead in games in their best four out of seven Central Ontario Junior 'D' Play-off round when they defeated the Woodville Maroons 6-1 in a game played before a good crowd at the Cannington Arena on Friday night last.

In the first period both teams scored a goal and the play was very close. In the second period the Huskies added two more counters and led 3-1 going into the final frame. The third period saw the local team drive in three unanswered goals and walk off with the victory.

Larry Sawyer and Paul Wilson each scored two goals while single markers went to Lyle Sawyer and Malcolm Maxwell.

NOTES ON THE GAME

Larry Hartin in the Haliburton net played one of his best games of the season, and was one of the main reasons that the Huskies were able to win by such a large margin.

The Haliburton team are receiving good support on their road games from the local fans, as fifty of them went by bus to this game in Cannington.

Home ice doesn't seem to mean too much to either team, as both clubs in this series seem to play better on foreign ice.

This series is very unpredictable as Woodville defeats the Haliburton team one night by 10-2 and then Haliburton return to defeat Woodville three nights later by a 6-1 score.

Huskies Nosed Out In Close Contest

The Haliburton Huskies who have won a lot of hockey games this season are having troubles winning key games. On Saturday night at the Haliburton Arena the local team, while going into the game with Woodville, were ahead three to one in games and a win would have wound up the series.

Although the Huskies played well, they were nosed out by a 5-4 score in a close checking, hard hitting, fast game of hockey played before a crowd of well over 400 fans.

For the first time in the series the first period went scoreless and neither team could put on the red light. Haliburton seemed to carry the play, but they missed on a lot of good scoring opportunities; they were coming close and on one occasion Jim Allan hit the goal post. Woodville came close to scoring in this period when one of their players received a breakaway, but Roger Scheffee of the Haliburton defence got back to stop him and although he went off for a tripping penalty chances are that he saved a goal.

The first goal of the game wasn't scored until the 5:00 minute mark of the second period, and this came when Craig Stamp of Haliburton lifted a high shot up in the air and it came down in front of the Woodville net and just dribbled in to the amazement of McKague, playing goal for the Maroons.

From here on it was a see-saw hockey game with one team taking the lead and then the other team would come back to tie it up.

It was a 4-4 hockey game right up until the 16:00 minute mark of the final period when Anderson of Woodville scored to give the Maroons a 5-4 lead. In the final four minutes the Huskies fought back hard to try and get the equalizer, but it was

to no avail. They pulled Hartin out of the net with less than a minute to go in favour of an extra attacker and came close to scoring but they just could not score.

NOTES ON THE GAME

The sixth game of the series will be played in Cannington this Friday night.

Craig Morrison, one of the main stars of the game, scored two of Haliburton's four goals, and he scored one of the nicest goals of the game on a clean-cut breakaway. Larry Sawyer and Craig Stamp were the other goal scorers for Haliburton.

Woodville had six penalties in the game, with Haliburton receiving three.

Danny Roberts, defenceman, missed the game due to the flu. Mike Easton, one of the most improved players and a real threat on the defence for the Huskies, was injured in the third period and had to be taken off and was unable to return for the remainder of the game.

Brant Sisson of Eagle Lake was the lucky turkey winner, while Marianne Dollo of Minden and Aubrey Gostlin of Haliburton tried their luck at the "Shoot to Score" contest.

Hockey Tournament Here Saturday

A Minor Hockey Tournament is scheduled for the Haliburton Arena this Saturday, February 24 in two separate groups, namely Bantam and Novice.

The tournament which begins at 8:00 a.m. sharp is expected to produce some very thrilling hockey action from the future stars of tomorrow.

Bantam and Novice teams will be competing from Bobcaygeon, Minden, Fenelon Falls and Haliburton. Eight games will be played during the day with the final contest getting underway at about 4:00 p.m.

A total of four games will be played in each section of the tournament. Meals will be provided at the Arena.

For a day of thrilling hockey action you won't want to miss this exciting tournament.

Sixth Game In Cannington

The sixth game of the Central Ontario Junior 'D' League hockey play-offs between the Haliburton Huskies and the Woodville Maroons will be played at the Cannington Arena this Friday night, February 23, and a seventh and deciding game is needed it will be played back in Haliburton on Saturday night at 8 p.m.

The Huskies will be going all out in Cannington on Friday night, and they can wrap up the series with a victory. They have been playing good hockey in Cannington during the series and we wish them the best of luck.

Pee Wees Win Series

The Haliburton Pee Wees have won their league play-off series in the O.M.H.A. Play-downs. They accomplished this by putting out Fenelon Falls in the first series, and on Thursday night last in Bobcaygeon they won their second league series by defeating the Bobcaygeon Pee Wees 4-3 in a thrilling contest.

The win gave Haliburton the best two out of three series 2-0 in games.

Keith Hunter and Stephen Lloyd took care of the Haliburton scoring with two goals each.

Bobcaygeon grabbed off a 3-1 lead in the first period and held it throughout the second period. In the final frame Haliburton battled back to tie the score at 3-3, and with 57 seconds left to play in regulation time Haliburton scored to make it 4-3.

Louie O'Hara, in goal for the Haliburton Pee Wees, was sensational. If it hadn't been for his great play Bobcaygeon could have won by a large margin. He was called on to stop eight breakaways in the game.

Haliburton now meet Cannington in the next O.M.H.A. Pee Wee Play-off series.

Bantams Win Group Finals

The Haliburton Bantams won their group finals on Thursday night when they defeated the Fenelon Falls Bantams 5-2 in an O.M.H.A. Play-off game. Haliburton won the best two out of three series 2-0.

Daryl Stamp and Cameron Botting with two goals each and Peter Lymburner with a single were the Haliburton marksmen.

Fenelon Falls led 1-0 at the end of the first period, and it was 4-2 for Haliburton at the end of the second, with the game ending 5-2 in favour of Haliburton.

Next week the Haliburton Bantams will meet the winners of the Beaverton and Orono series.

Ron Stackhouse Playing Well

Local boy Ron Stackhouse continues to play outstanding hockey with the Peterborough TPT Petes of the Junior 'A' League. Stackhouse was a big gun for the Peterborough club when they defeated the St. Catharines Black Hawks 7-1 in a game played in Peterborough last Thursday night.

In this 7-1 victory Ron opened the scoring on a power play. Playing on right wing, he slapped in his own rebound while St. Catharines were a man short. It was his eighth goal for the Petes.

He scored his ninth goal of the season in a game played against Oshawa on Sunday night.

Bancroft Wins Bowling Tourney

On Sunday, February 11 at 1:30 p.m. the Bancroft Bowling Ladies were hosts to four competing teams: Coe Hill, Minden, and two teams from Bancroft.

Bancroft No. 1 team was the winner with a score of 349, followed by Minden, Bancroft No. 2 and Coe Hill in that order.

High triple went to Wayne Collier of Bancroft No. 2 team with a triple of 762, and a member of the Minden team was the high single with a 299 score. Bancroft will have a tourney in Minden this Sunday, February 25 as a continuation of the tournament.

Letter To The Sports Editor

Irondale, Ontario,
February 19, 1968.
Haliburton County Echo,
Haliburton, Ontario.
Dear Sir:

I am writing you in regards to our Little N.H.L. Tournament that was held in Minden on the day of the Winter Carnival.

Now our team, Kimmount Pee Wees, had to play off with Oakwood for the Scott Trophy. Now, this trophy is for a population of 700 or under; ours is less than 500. So Oakwood had players from Sunderland, Cambray, Glenora and a couple of more places, and when the total is added up it is around 2,200. Now how can Oakwood get away with a deal like this, or is it that money counts.

Don't forget that this is a Little N.H.L. game, and that the boys and parents have to sign and abide by all the rules which

says you must be honest. Now what in blazes kind of a country do we live in to let the big shots, I have a better name for them, get away with such crooked stuff.

Now, you phone some of the officials and they say there can't be anything done this year. They will tell you that it is not legal. So what in hell has a person got to do to get their rights in this part. This wants to be straightened out this year or there is going to be some get hurt. Let those so and so's give the hockey back to the children, but no, they, the big wigs, have got to see how much prestige they can get out of the children's work and the parent's time and money.

Thank God that all management in hockey is not alike; only the ones that make the rules so they can break them.

Yours sincerely,

Mrs. Grace Simmons.

Snowmobile News

The Bancroft Snowmobile Club and friends on Sunday, February 11 were invited to join the Wilberforce Snowmobile Club in a well planned field trip from England Grove, led by Orland Lewis from his home, to Forest View Lodge where Mr. and Mrs. Ken Lewis expressed their hospitality with coffee on the house enjoyed by all around a heated fireplace.

The Club expresses their sincere thanks to Mr. Orland Lewis for organizing and making this trip possible.

Special thanks go to Mr. David Plant for the use of the facilities on the trip to Bay Lake.

From there they continued on their trip to old abandoned farms, over swamp trails, logging roads and high hills to Elephant Lake and back to Highland Grove. Over 48 snowmobile machines participated.

We loaded our machines and motored to Harcourt Community Centre where Mrs. Stevens and

Letters Re C.N.R. Removal Of Agents

Ottawa, Ontario,
January 31, 1968.

Mr. H. J. Fast,
Manager, Rideau Area,
Canadian National Railways,
Belleville, Ontario.

Dear Mr. Fast:

Since the announcement of the C.N.R.'s intention to remove the station agents at Fenelon Falls and Haliburton, together with the proposals respecting the Lindsay Office, I have received an avalanche of protest, both verbal and written. I cannot emphasize too strongly the opposition within Victoria - Haliburton to the C.N.R.'s decision.

While increased highway construction has, inevitably, cut into railway revenue, rail has been the prime means of shipping and receiving for most of the companies in the area. It has been their lifeline to the rest of Canada. Businessmen here are concerned that the inconvenience of not having a resident agent will result in a very considerable changeover from rail to highway transportation, a form of service which has grown and prospered over the years, basically through facilities at the local level and personal contact with the customers. The resultant loss of revenue may well be so extensive that the next step must, of necessity, be the complete withdrawal of C.N.R. services. In other words, this is seen as the beginning of the end!

I find it difficult to understand why, at a time when Victoria - Haliburton has been designated as an incentive area for both federal and provincial industrial location grants, an agency of the Federal government should, in direct contravention to the policy of that same government, see fit to curtail its services and thus strike a death blow to the economy of the entire region.

I may mention, also, that Victoria - Haliburton, as Southern Ontario's largest reception area with an anticipated influx of 150,000 evacuees, would be vitally dependent upon the C.N. for transportation, food, supplies and communications in the event of a national emergency. While we all hope that such an emergency will never arise, the possibility exists and, without rail and communications services, the results could indeed be tragic. While there may be official denial at present of any intention to withdraw service entirely, the loss of revenue, resulting from removal of present facilities, will certainly bring matters to a head and we may well be faced, at a future date, with a dilemma of major proportions.

I urge you to give very serious consideration to the ramifications of your decision and trust that a change in official thinking may be brought about before it is too late.

Yours sincerely,
William C. Scott, M.P.,
Victoria - Haliburton.

cc: The Hon. P. T. Hellyer, P.C.,
M.P., Minister of Transport.
The Hon. J. W. Pickersgill,
President, Canadian
Transport Commission.

Belleville, Ontario,
February 6, 1968.

Mr. William C. Scott, M.P.,
Victoria - Haliburton,
House of Commons,
Ottawa, Ontario.

Dear Mr. Scott:

Further to your letter of January 30 and telephone conversation date. Complaints concerning our proposed administrative changes have also come to hand in this office.

You will appreciate that before we announced these plans, all customers were contacted on a person to person basis. Most

of them were familiar with our plan to centralize service staffs and knew that there would be no deterioration. However, there were those who did not understand. We have since contacted these people again to explain the proposed operating plan.

For a number of years now, we have instituted a customer service program elsewhere along the same lines as in the Lindsay Haliburton area. There is nothing new in the approach and in each case there was an improvement rather than a deterioration. The same will also apply to the customers in the Haliburton area. You will readily appreciate that we cannot staff small stations with all the skills required to carry out the Railway's business. For this reason, we are centralizing staffs at logical points and provide a direct Zenith telephone contact between the customer and this centralized staff. In this way Railway contacts can be made as readily as they have been done in the past; in fact, more expeditiously. It took longer for a customer to go through a local agent - operator and he in turn to some central office than is the case in what is proposed. Everyone in the entire area can make a telephone call for whatever service is required without charge to the customer.

As far as actual service, in terms of trains and trucks, there is no change. It is strictly a change in administration rather than physical rail service. Your fear that this is the beginning of the end would be more valid if we continued to administer the Railway at a higher expense than is the case in what is proposed. We accomplish a better customer service at a lower cost, and for this reason our proposal is one of progress rather than retrenchment. Our salesmen and service personnel will continue to call on customers to assist them in doing business with the Railway. This is not an experiment but a continuation of what has been successfully accomplished elsewhere.

Rest assured that we will do everything possible to serve the general area as well or better than in the past.

Yours sincerely,

H. J. Fast, Manager,
Rideau Area,
Canadian National Railways.

GLOOM AND DOOM

Voices of alarm were heard in the land recently. Amid the excitement of the constitutional conference and the quickening Liberal leadership race, Canadians were told that the country could be in for serious trouble in 1968.

The voices were not of the wilderness, nor did they cry without being heard. They were neither voices of crackpots or unknowns, and they told us that "economically, Canada is in the dumps" and that the U.S. and Canada face a stock market crash which will make 1929 look like a small ripple on the seas of distress.

There it was, stark and simple: "Canada is in the dumps." The words were those of Quebec Premier Daniel Johnson, and it was evident when he spoke that there was little or no political motivation to his words.

The other warning, about the stock market, came from the noted (and controversial) American economist and writer, Elliot Janeway. This is the man who was until recently one of the chief advisors of President Johnson. He now says the U.S. is under such severe economic attack that there is serious doubt whether it will be able to avoid devaluing its currency. And when that happens, the plug is out for every other currency around the globe, says Janeway.

The Quebec Premier's assessment of Canadian conditions comes at a time when the nation stands at the peak of an all-time prosperity, but seems incapable of solving the problems of galloping inflation, a worsening housing crisis, and growing unemployment.

Little or no progress has been made in the struggle to bring the Atlantic provinces and parts of the West up to Ontario's living standard.

While big governments gather ever more tax revenue to themselves — Ottawa alone will spend 10 billion dollars in the next fiscal year — the little governments such as the municipalities find their tax sources actually drying up.

While Canada's growth rates show signs of stagnation, many

nations appear to be retreating into ever more narrow orbits.

Instead of the industrial nations expanding their trade by progressively cutting away tariff restrictions — as was envisioned by President Kennedy in the trade negotiations since known as the Kennedy Round — the countries of the world show signs of repeating the economic nationalism which followed World War I, and begot World War II.

This, at least, is the thesis of Mr. Janeway who says the U.S. will face a grave economic crisis this spring. To protect the dollar, drained off by the war in Vietnam and U.S. business investment abroad, the American government will have to slash trade, hike interest rates and possibly devalue the U.S. dollar itself.

Janeway says the nations of the world are repeating all the same mistakes of 30 and 40 years ago, and that the economic infighting now going on can lead only to business collapse, followed by a fighting war.

Britain devalues the pound to give it an edge in foreign trade. France seeks to undercut the U.S. international financial position by selling its American dollars so as to reduce confidence in the U.S. economy. Japan appears poised for a huge devaluation of its money in order to put its exports back on a more competitive footing.

Meanwhile, every economic signpost which springs up in the U.S. stands out in ever bolder type in Canada. When the U.S. ship of state rocks, the Canadian rowboat is swamped. Three percent unemployment there produces a jobless rate of six percent here. A hike of four percent in prices there pushes up the cost of living eight percent here. The prime interest rate surges up half a percent there, a full percentage point here.

And at the bottom of it all lurks the U.S. military involvement in Asia. At a cost so great that the richest nation in the world is unable to meet the burden abroad and achieve its social goals at home. America is trying to carry out Britain's old role of the empire maker east of Suez. But the days of empires are gone.

OBITUARY

MRS. MAUDE CASKEY

Friends and relatives of Haliburton and surrounding communities were shocked by the passing of Mrs. Maude Caskey at the Hyland Crest Home early on Sunday morning, December 24, 1937.

The deceased, in her 83rd year, was born at Pennsylvania in the year 1885, the second oldest child of a family of nine of the late David Higgins and Minerva Card.

Mrs. Caskey spent her early life working around Buckhorn and Peterborough, and later she went to the States where she married Clarence Caskey.

In the 1930's she returned to Canada and worked as a cook at the Ross Memorial Hospital in Lindsay, and also at the Red Cross Hospital in Haliburton.

Mrs. Caskey was a devoted Salvation Army worker and a member of the L.O.B.A. of Haliburton.

Left to mourn her passing are three sisters and one brother, Mrs. (Bertha) Rubin and Mrs. (Bessie) Wickham, both in the United States, Mrs. (Levina) Doherty of Willowdale and Oliver of Haliburton. Two brothers, Stanley and Ernest, and one sister, Isabelle, predeceased her.

The funeral service was held at the Salvation Army Hall, Haliburton on Tuesday, December 26, 1967 at 2 p.m. Captain Luxford conducted the service, with words of comfort to the bereaved.

The pallbearers were five nephews, Clem, George, Lance, Bruce and Howard Higgins, and a friend, Sid Roberts.

Temporary entombment was made at the Evergreen Cemetery Vault.

IN MEMORIAM

ORR — In loving memory of our dear father, James Orr, who passed away January 21, 1940; and our dear mother, Clara Orr, who died one year ago on February 27, 1957. Beautiful memories, tenderly kept. Of the parents we loved and will never forget. Deep in our hearts they will always remain. Until God in His time unites us again.
—Ever remembered by Jenna, Les, Ruby and Sid, Jim and Wanda, and grandchildren Murray and Shirley Jean.

PARISH — In loving memory of a dear wife and mother, Thelma Winifred, who passed away February 24, 1954. No one knows how much we miss you, No one knows the bitter pain we have suffered. Since we lost you life has never been the same. In our hearts your memory lingers, Sweetly tender, fond and true; There is not a day, dear mother, That we do not think of you.
—Fondly remembered and ever missed by husband Arthur and children Iola, Claude, Tom, Stan and Julie.

VICKERY — In loving memory of our son, Bill, who passed away on February 18, 1931. When the time came, we suffered too, For you did not deserve what you went through; God took your hand, we had to part, He eased your mind, but broke our hearts. Although we smile and seem carefree, No one misses you, dear Son, more than we.
—Always remembered by Dad, Mum, Brothers and Sisters.

LINDSAY PRESBYTERIAL EXECUTIVE MEETING

In spite of sub-zero weather, 50 ladies attended the first Executive Meeting of Lindsay Presbyterian United Church Women at Fenelon Falls on Monday, February 12.

After a delicious cup of coffee Mrs. Palmer of Fenelon Falls, President of Lindsay Presbyterian U.C.W., opened the meeting. Rev. Mr. Martin of Fenelon Falls conducted a fine worship service, taking as his Scripture 1 Cor. Chap. 11, the theme being "Women in the Church", followed by prayer.

Mrs. Russell of Argyle, Recording Secretary, read the Roll Call of the U.C.W. Presidents. There were 19 Presidents in attendance from a possible total of 55. Later these ladies were asked to give a brief highlight of their work.

Mrs. Coburn of Fenelon Falls, Treasurer, reminded us of our pledge for \$21,576.00.

Correspondence was read from Rev. David Harris, Greenbank, regarding the coming of Dr. Robert McClure to Cambridge St., Lindsay, tentatively on Wednesday, April 3.

As an innovation, three of the Regions are planning Spring Rallies: Region 3 at Cambridge on May 1, Region 4 at Kilmount on May 8, and Region 5 at Greenbank on May 9. Rallies of Region 2, 5 and 6 are to be held at Milford, Omemee and Lochlin, respectively, next September.

Delegates to the Conference Annual U.C.W. at Smith Falls were assigned.

A number of ladies expressed a desire to go on a chartered bus to General Council in Kingston in late August. Mrs. E. Ruth is looking after the trip. The meeting was adjourned and the Benediction was sung in unison.

RUTH DRYDEN MISSION CIRCLE

On Tuesday evening, February 13 ten members of the Ruth Dryden Mission Circle met in the Baptist Church.

In the absence of President Eva Howe, Pauline Miller was in the chair and opened the meeting with the hymn "Sinners Jesus Will Receive", followed with prayer by Ruby Roberts.

An inspiring and timely Devotional entitled "Standards and Measures" was presented by Pauline. Verses of Scripture from Zech. 2:12 and II Cor. 10:12-18 were read.

The prophet of Zechariah saw a vision of a man measuring Jerusalem with a measuring stick. The Jewish exiles were returning from their Babylonian captivity and were preparing to rebuild the walls of Jerusalem.

No matter if we are building or rebuilding, measuring plays an important part in our operation. Indeed, measuring, of one sort or another, enters into our daily lives be we businessmen, builders, housewives, school children, musicians or artists. There is no sphere of human activity in which measuring does not have a part. We do not cook nor sew without most careful measuring. Our Bureau of Standards takes care of correctness of our material measurements in buying and selling, but God Himself gives us the standard for our spiritual measuring. God's pattern for a perfect life is Jesus, and it is only when we fashion our lives according to His pattern can we gain courage, inspiration and incentive for fresh endeavour.

The Devotional ended with the following prayer: "O Heavenly Father, may we be eager to compute our shortcomings by Thy standard of measurement; May we apply the yardstick of Thy approval to our thoughts and deeds; Help us to count the increase in Thy kingdom as Thou wouldst have us, in terms of faith, love and service; Be patient with our failures and shortcomings, we ask in the name of Christ, our Pattern. Amen."

The minutes of the last meeting were adopted as read by Ruby Roberts, and the roll was called and offering taken. Pauline gave thanks for the gifts.

Three friends were chosen to receive Sunshine Cards this month.

During a short business period a discussion took place on the "World Day of Prayer" program, the White Cross Parcel, and a representative to the Church Finance Committee.

Mission Highlights, preceded by a prayer period, were presented in an interesting and informative manner by Alice Hecker.

For this month's project members brought used Sunday School papers, Upper Rooms and Christmas Cards to be sorted and sent later to missionaries. The meeting closed with the hymn "Trusting Jesus" and the Mizpah Benediction.

Refreshments served by the hostesses, May Francis and Velma Smith, were enhanced by a birthday cake for Pauline, beautifully decorated in keeping with the Valentine season.

WILBERFORCE U.C.W.

The February meeting of the Wilberforce U.C.W. was held in the Manse on Tuesday evening, February 13 with a good attendance.

Following devotions by Mrs. E. Smith and a brief business meeting, the guest speaker, Mr. Harold Herlihy, was introduced by the President.

Mr. Herlihy's description of his recent trip to Europe was illustrated with colour slides. The beauty of these slides and his witty commentary proved an entertaining combination to his appreciative audience. He was thanked by the President, Mrs. Earl Smith.

Refreshments were served by the hostess, assisted by Mrs. Smith.

W.M.C. DAY SERVICE

The Women's Missionary Council of the Gooderham Pentecostal Church were in charge of the morning Worship Service last Sunday.

The service was opened in prayer by Mr. Allister Belbin of the Eastern Pentecostal Bible College, and was then turned over to the W.M.C. President, Mrs. Gloria Billings, who was the song leader.

Mrs. Elda Hunter read the Scripture taken from II Corinthians: Chapter 4.

A report of the W.M.C. work was given by the Vice President, Mrs. Alyda Dewey, and was followed by a poem.

The offering was taken by Mrs. Gladys Hunter, and Mrs. Vivian Dowell led in prayer.

Our W.M.C. Poem was read by Mrs. Mable Hunter.

Special speaker for this service was Mrs. Allister Belbin, whose parents are in the Mission Fields in Argentina.

The theme for this year was "Communicate in '63". The service was closed in prayer by Mr. Belbin.

A Friendly Church Welcomes You

World Day Of Prayer

With the clasp of a hand and a prayer for peace and unity, land but it also deals with the women around the world will join together on March 1, 1968 to mark the World Day of Prayer.

The programme on the theme "Bear One Another's Burdens" was prepared by Ceylon's Mrs. Rath's Selvarajam, Chairman of the Asian Church Women's Conference. It reflects the tra-

ditions and hopes of her native land but it also deals with the responsibility of all to share the problems and to work for Peace in today's troubled world. The offering is used to further projects in most of the "have-not" countries.

There will be a service in the Haliburton United Church on Friday, March 1, 1968 at 2:30 p.m. Why not attend?

(Intended for Last Week)

Sympathy of the village to the family and friends of the late Mark Snell, whose funeral was on Monday.

Mr. and Mrs. Lewis Hewitt and family of Ottawa visited with his parents, Mr. and Mrs. John Hewitt, over the weekend.

There are several persons from the area in Lindsay Hospital, including Irene Barry, Bradley McLaughlin, Francis Crawford and Mrs. John Welch. All their friends wish them a speedy recovery.

The ladies of the U.C.W. gave Mrs. Tom Corbett a shower of wedding gifts at the Church Hall last Thursday evening.

Mr. and Mrs. Albert Pogue and Mrs. Sears attended the meeting of Lakeview Women's Institute held last Thursday afternoon at the home of Mrs. Harold Hopkins, and had an enjoyable time.

Some of the students of the Haliburton Highlands Secondary School saw "A Man For All Seasons" last Friday, as it is on their course this year.

The Minden Winter Carnival, after being postponed a week, was very successful with all events taking place. There was also a Minor Hockey Tournament going on, so the Arena was a very busy place. Feature band was the Kawartha Cavaliers of Lindsay, giving a fine display in the zero weather.

Most families had guests over the weekend and many cottagers came up for the Carnival, as they could easily get into most parts of the area either by car or snowmobile.

Practical Christianity

... for the man who has 'everything'. Gift shops feature extravagant items for the man who has 'everything'. God also has some priceless gifts for such a person. And these gifts are available to all, without money and without price.

A man who had a good wife, attractive children, a beautiful home, adequate income and radiant health made the mistake of thinking he had everything worthwhile. When invited to church he replied, "Why should I go to church? What else do I need?"

Pity such a man when trouble strikes! Material possessions certainly have value. Yet if they are all we have, there are serious needs still in our lives; for a man's life consisteth not in the abundance of the things which he possesseth. For life is more than food, and the body than the clothes that cover it. A man can enjoy material advantages for years and at the same time be living in appalling spiritual poverty.

A certain man had a Christian wife and enjoyed all this world had to offer, but he was blind to his own spiritual need. When his wife died, the man was silent and broken. For the first time he realized that life was more than things. He had lost his most precious treasure, and there was no comfort in all his material wealth.

There is no answer to the guilt problem in a bank account. A psychiatrist spent years analyzing mental illness and concluded that 95 percent of his patients suffered from unresolved guilt. Financially they were able to pay him to listen to their troubles, but their money could not buy the forgiveness they needed.

Material blessings cannot guarantee us security for the future. Nothing we have can purchase assurance of a happy life in eternity.

Direction in life, comfort in sorrow, forgiveness of sin, and certainty for the life to come are blessings we are all eager to grasp — even the man who has everything.

None of these are offered in the gift shops of the world, but all of them are offered in Christ. "Come unto me", He urges. He brings into the lives of those who trust Him the resources of eternity. Where

there is frustration, He brings unity of purpose. Where there are questions, He is the answer. Where there are heartaches, He is the Comforter.

In the time of uncertainty He offers divine guidance. "I will ... instruct thee and teach thee in the way which thou shalt go." He came to "bind up the brokenhearted", and "to comfort all that mourn". Ours is the God of all comfort.

Christ deals effectively with the guilt problem when we turn our lives over to Him. "We have redemption through His blood, the forgiveness of sins." No gift shop offers such a present at any price.

Our future is secure when we know Christ. "I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day."

Whether you have "everything" in the eyes of the world, or whether you have very little, you are eligible for these priceless gifts of God that money cannot buy. Open your heart to receive them now.

Snowdon Council

The regular meeting of the Snowdon Township Council was held with the Reeve and all members of council present.

The minutes of the previous meeting were read and adopted on a motion by Gerald Hicks, seconded by Ralph Young.

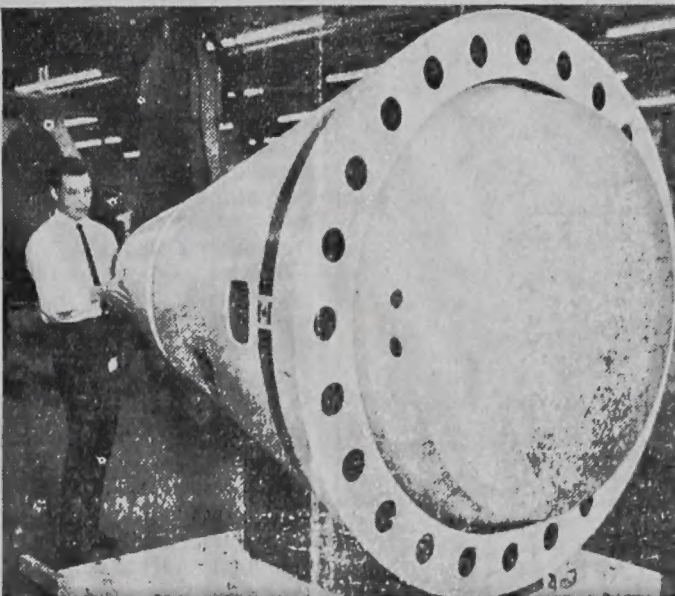

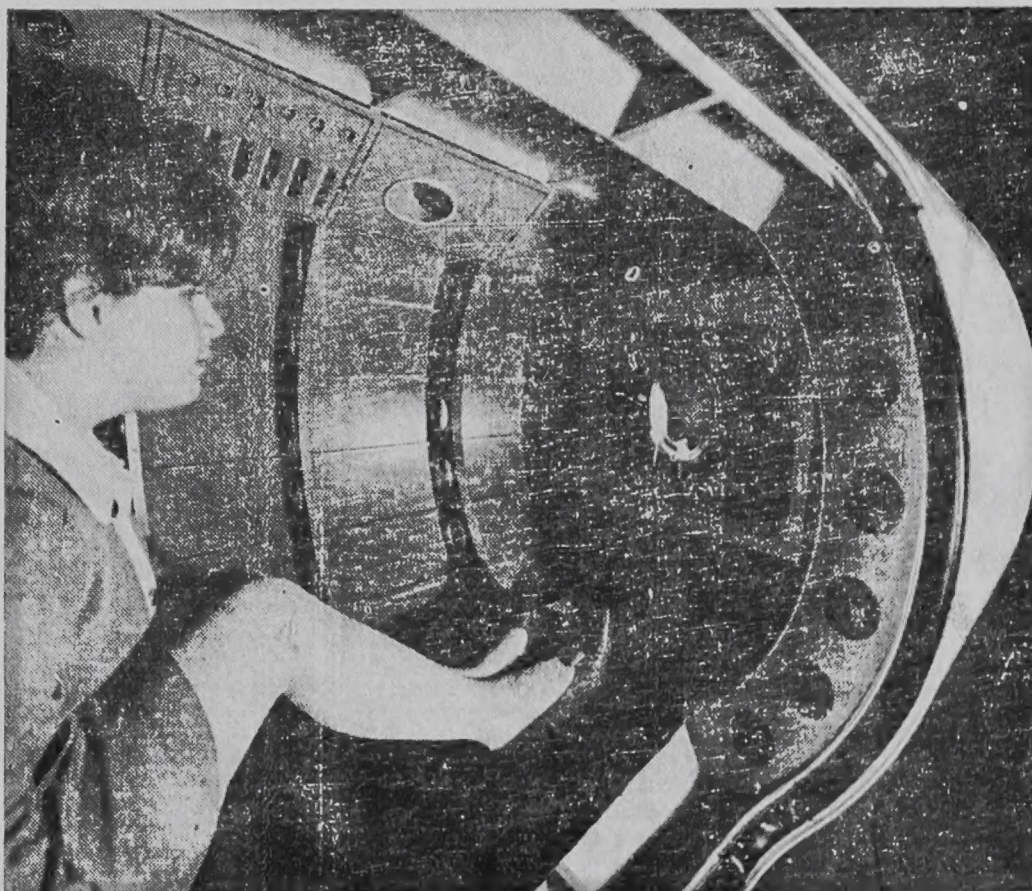

It was moved by Gerald Hicks, seconded by Steve Hancock that a small corner of Lot 14, Concession 9, lying south of the existing Galert - Irondale road, now reserved in Instrument No. 1248, be released to Mr. Edward Peacock for the sum of \$1.00.

Moved by Ralph Young, seconded by Gerald Hicks that the quotation of Curry Motors on four Truck Tires be accepted.

A discussion was held regarding the rail crossing at Howland Junction; it was decided that the visibility could be greatly improved, but it could not be done until the Spring.

Moved by Ralph Young, seconded by Gerald Hicks that the January Road Voucher be approved for payment.

It was then moved by Grace Simmons, seconded by Steve Hancock that this meeting be adjourned until March 6, 1968 at 7 p.m.

DOCKING IN SPACE is simulated in space capsules under development by the Centennial Centre of Science and Technology in Metro Toronto. "Astronaut" Faye Green is at the controls of the prototype at the Centre's temporary workshops. Four of these mock-up capsules will simulate a tricky docking rendezvous with a model of an orbiting craft moving across a closed-circuit television screen. At the left, Anthony Gerritsen, a Centre engineering technologist, puts a "nose cone" cover on the television guiding system. Instrument panels, flashing lights and beeping sounds are built-in to heighten the effect of space travel. The Centre, an interconnected cluster of three buildings in advanced stages of construction on a 20-acre site, will be opened late this year or early next year.

Moved by Peel, seconded by Lewis that we adjourn until March 6, 1968 at 7:30 p.m. in the Municipal Hall, McGillivray Rd.

Glamorgan Township Council

The Glamorgan Township Council met on February 7, 1968 at 8:30 p.m. in the new addition to the Township Office, which is to serve as Council Chambers. Reeve Victoria Agnew, all Councillors and the Road Superintendent were present.

Representatives of the Department of Highways, who had asked for a discussion with Council on some proposed future changes to roads under their jurisdiction in the Township, were heard first and Council's recommendations regarding these proposed changes were noted.

The Minutes of the January meetings were then read and passed.

Following this, one of the residents of the Township presented a petition to Council requesting that something be done to remedy the bad hole on Lake shore Drive, which had been caused by water running over the road. It was agreed that this should have immediate attention and that the Clerk should contact our Insurance Agent to see if the Township's Liability Insurance would cover a towing fee incurred by this resident as a result of this road situation.

Attention was then turned to bills and accounts, which were passed as follows: Road Voucher No. 1 - \$1,977.14; Welfare \$485.88; and General Accounts \$1,920.43.

Since the Welfare Administrator and the Committee were much concerned with the amount of Welfare payments, it was decided to arrange a meeting with the Field Representative of the Department of Social and Family Services to see if the situation can not be held under more strict control, especially since one family in particular seems determined to make a career of outwitting the Welfare Committee.

Roads came up for discussion next. By-Laws were passed to request approval for \$21,000 for general road maintenance and \$16,000 as a Supplementary By-Law to do further work on the access road to Koshlong Lake, and to do some necessary gravel resurfacing. A new By-Law was also drawn up to allow the Road Superintendent's mileage to be subsidized. A motion was passed allowing an increase in mileage rates for Township employees using private vehicles on Township business from 10 cents to 12 cents per mile. It was brought to Council's attention by the Road Superintendent that tire chains had never been purchased for the Township's tractor, and he was instructed to purchase these as soon as possible in order that the tractor could be put to more use through the winter months.

A letter from the Salerno Lake Cottagers' Association concerning an access road to Salerno Lake gave rise to a great deal of discussion as it seems this has been a long-standing point of contention between the local Council and the property owners on Salerno Lake. Since the letter stated that their road committee had done a preliminary survey of this proposed road, Council decided to ask for a meeting with this committee to see their proposed survey and also request that a representative from the Department of Highways be called in for an opinion on the matter. It was also decided that this Council should meet with the Councils of neighbouring Townships to discuss the upkeep of Boundary Roads.

Since inquiries regarding public access to Salerno Lake are being received, the Clerk was instructed to follow up earlier correspondence on this matter with the Department of Lands and Forests with regard to establishing a public landing place on this lake.

It was decided, and a motion passed, to continue the use of a rented power grader on the roads again this year, as this seems more economical than the purchase of a machine of comparable size which is necessary for the proper maintenance of our roads.

A By-Law from the Bell Telephone Company which was held over from the January meeting in order to give Councillors the opportunity to study it thoroughly was passed.

A motion was made and passed appointing the following as Fire Wardens for the Township to comply with their agreement with the Department of Lands and Forests regarding the cost of forest fires on private lands: Moss Graham, Y. C. Graham, Reg Brooks, James Manley and Ken Graham.

Discussion with the Clerk followed regarding a salary revision and established vacation time. Both were granted, vacation to be one week in August which will be posted well in advance in order to advise as many ratepayers as possible so that they may arrange to conduct any business at the Township Office in advance. Saturday business hours were also changed. The Township Office is now open for business on Tuesday and Thursday from 1:00 p.m. to 4:00 p.m. and on Saturday from 10:00 a.m. to 1:00 p.m. At such other times as the Clerk finds it necessary to be in the Office for general work, anyone wishing to conduct business may do so.

This concluded the evening's business and adjournment was made to March 6, 1968 at 8:30 p.m.
